DialCare
TELEDENTISTRY

DialCare Teledentistry can advise you on the following:

- Oral pain
- Broken, chipped, sensitive or misaligned teeth
- Gum swelling and bleeding
- Sores, lesions, swelling or infections
- Orthodontia needs
- Provide expert second opinions to give peace of mind for oral health diagnoses and treatment options
- Provide clinically appropriate, non-DEA controlled prescriptions when needed
- And much more

When to use DialCare Teledentistry:

- For non-emergency dental issues, questions and concerns
- When you live a significant distance from a dentist
- For second opinions on dental care
- When your primary dentist is unavailable
- When traveling within the U.S. and in need of dental care or guidance
- During or after normal business hours, nights, weekends and holidays
- To avoid unnecessary trips to the E.R.

Disclosure: THIS PLAN IS NOT INSURANCE and is not intended to replace health insurance.
